FINANCIAL AID INFORMATION

Quest offers Financial Aid to families on the basis of demonstrated financial need, as determined by School and Student Services (SSS) and Quest's Financial Aid Committee. Aid awarded in the current year does not guarantee an award in a future year; a new application must be submitted and reviewed on an annual basis. Financial aid decisions are independent of admission decisions.

We recommend that you review the wide range of materials that SSS has put together to help families with the financial aid process.

Here's key information about our school you'll need as you complete your PFS:

Our school's name: **QUEST ACADEMY**

Our school's SSS code: **2663**

Important due dates for re-enrolling families:

By January 15, 2019: Submit your Financial Aid request via the SSS site, including required documentation for tax year 2018 and 2017 (e.g. 1040, 1040A or 1040EZ along with ALL schedules as filed). When asked for 2018 tax information, if you have not yet filed taxes please use your best estimate and correct/update discrepancies once you file your tax return. Applications submitted after January 15th are considered only as funds remain available.

February 1, 2019: Contracts for the 2019/20 school year – including aid awards – will be posted in My Backpack.

February 15, 2019: Signed contracts are due back by this date in order to avoid the \$500 late re-enrollment penalty.

By April 30, 2019: If estimates for 2018 were used in order to meet the 1/15 deadline, update the SSS site to include final documentation for tax year 2018. If your final tax filings differ materially from the estimate that was used to determine your aid award, or if documentation is not received, your award may be adjusted prior to the start of the 19/20 school year.

Important due dates for new families:

Quest accepts financial aid applications throughout the year for newly enrolling students and are awarded based on need and available funds.

INVEST IN KIDS ACT INFORMATION

In 2018 Illinois passed legislation allowing for tax credit scholarships to fund non-public education. The ***Invest In Kids Act*** allows for SCHOLARSHIPS to be awarded from donated funds to qualified recipients. Quest works with Empower Illinois (a scholarship granting organization) to process these applications. Details about eligibility for scholarships and the scholarship process can be found at <https://empowerillinois.org/> Empower will begin accepting applications for scholarships for the 19/20 school year on **January 15, 2019**. Please note that this is a process independent from Quest’s financial aid process and administered directly by Empower Illinois. Potential awards under this program may be used to supplement financial aid offered through Quest. Depending on the timing and amount of awards under this program, financial aid awards from Quest may be adjusted.
