## RSVP!

Make sure to RSVP for the Night of All Knights by February 27th.

Go to [bidpal.net/questgala](http://bidpal.net/questgala) and purchase your tickets today!

## Wanna buy... something for Quest?

We are looking for items to fill baskets and are still accepting donations! We have made shopping easy. Simply go to [smile.amazon.com](http://smile.amazon.com) and search for Quest Academy under "Wedding Registry." We have pre-selected items that we need asap! Please make sure that you check the selected delivery time so your items reach the Auction office quickly!

Special thanks to all of you that have worked so hard to solicit businesses for donations, and to those of you that have donated items this year! We couldn't do any of this without you! And we wouldn't want to!

Wine Pull: Roxana Naughton

# Spot Auction Surprise

For the past several years, auction goers have been made aware of the special project that Quest designates for it's Spot Auction prior to auction night. But this has not always been so. This year, we are bringing back the **ELEMENT OF SURPRISE!**

While we can confirm that there will be a Spot

Auction during the evening, we will not unveil what the special project is until you arrive at the Stonegate. For now, we will only say that you are sure to be inspired and excited by what we have in store. Remember, funds raised during a Spot Auction are designated specifically for that project and are not

added into the general operating budget for the school. And while we won't spill the beans just yet, we assure you that your children and their teachers will benefit greatly from what we have planned! We are looking forward to the big reveal on March 9th!

# New! New! New!

We have added an entirely new category to this year's *Night of All Knights* based on YOUR requests! We are VERY excited to announce the **Time With a Teacher** category! Several of our faculty have put together unique experiences that they will share with your child. These are special items that are above and beyond what you will find in the Teacher Raffle. Here is a peek at some of their offerings:

Jr. Grand Prix package with Mr. Ryder! On June 3rd, 10 lucky winners (must be 48"+ tall) will visit CKT Racing Engines and tour their facilities, then grab lunch and head to K-1 Racing for a great day of go-kart races! This will be a first-come, first-served offering. No

bidding required!

Mrs. Tuten is offering one lucky student from each of her classes to be the STEAM teacher for their class for the day!

If you are the winning bidder, your student (2nd-7th grade) will be our official Author Concierge on May 6, 2019, when acclaimed children's author, Emma Otheguy, comes to Quest! This lucky reading enthusiast will interview Ms. Otheguy for the Quest Broadcast news, introduce her at an assembly, and, if time permits, join her and Mr. Shilhanek for lunch!

Ms. Cohn will come to the home of one lucky student and read him/her a bedtime story before tucking them in for the night!

Our very own, Chef Cathy Gruzinsky, will come to the home of the winning 3rd grade and up student, work with your child to plan a menu, and then they both will work together to make dinner for your family!

What happens at Quest Academy when the clock strikes midnight? 30 students, grades 6-8, will find out when you sign them up for the Quest Academy Lock-in hosted by Ms. Davey and a few of your favorite Quest teachers! This fun-filled twelve hours of crazy activities, group games, laughter, late-night pizza, and no sleeping will take place on April 27 from 8:00pm to 8:00am!

Be sure you arrive at 5:30 so you can see all the class projects and special surprises at your table. The first table closes at 7:30!

# You CAN get a free lunch!

The *Night of All Knights* actually begins at 8:30 am, Friday March 8. We will begin loading the truck and cars for the caravan to The Stonegate.

Saturday, March 9 at 8:00 am, we begin

transforming the room. Volunteers set up each section of the Auction in an all-day affair.

Whether you can help out for an hour or a day, Friday or Saturday, we'd love to have you!

Those who are working during the lunch hour on Saturday(11:30ish) will get a **FREE LUNCH!**

Sign up now at <http://signup.com/go/trMGNzB> to help!

Thank you!

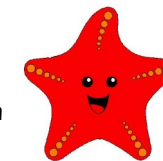

# What is your child creating for Auction?

The Griffin class has made a one-of-a-

kind storage bench, decorated with colorful handprints and "happy words," and has packed it full of the students' favorite books. Stylish, functional and educational, this is a perfect addition to your child's room or playroom!

The Sea Stars class project is a multi-picture frame collage with hooks underneath. The frame hold 15 photos of the students taken throughout the year. Students designed their own Quest logos, which are on items hanging from each hook!

The 8th graders have created two unique and beautiful pieces of wall art depicting birch trees that were painted by each student. The trees were then laid out on hand-painted canvasses to create two stunning forests. The paintings are framed and ready for hanging in your home or office!

Gecko students have chosen one value that is most meaningful to them and that, in their opinion, defines the school spirit. Each student has then explained the value in their own words and their writings have been combined into a photo book, complete with a portrait of each student. A lovely keepsake of their 4th grade year!

Our Llamas have the perfect game night planned for you! Snuggle up under a blanket with the hands of students in the shape of a heart, and enjoy a giant game of Jenga! Enjoy the kids' favorite snacks in a bowl that also includes their handprints, and then watch their favorite DVDs!

Enjoy a custom designed end table displaying the creative artwork of the Dolphin Class! This modern style gray table features 12 unique alcohol tile paintings designed by each student. This colorful table will be a beautiful conversation piece for one lucky winner's home!

The Lion students' favorite things will be highlighted in their class project this year! Students will be professionally photographed with their "favorite things." Each unique photo will then be combined into one piece of art and then framed so it is ready to be displayed in your home.
