Elton John framed collage with laser engraved signatures

ANOTHER "TIME WITH A TEACHER" OPPORTUNITY! BLAST (OF AIR!) FROM THE PAST

Many Quest students fondly remember back to Pre-K and Kindergarten when they created whimsical objects to test-fly in the vertical wind tunnel, during science class with Mr. Oremland.

Many other students haven't yet had the chance! In this Time with a Teacher event, Mr. Oremland will host up to 10 current first-through-eighth-grade students in the Lower School science lab for an afternoon of aerodynamic adventure.

Students will sculpt recyclables into any number of vehicles and see how they fly! Feedback from each flight will provide a basis for improvements with each iteration. The group will meet on Friday, May 1, 2020 from 3:45-5:45. Pizza, drinks, and a treat will be served.

LAST MINUTE REMINDERS

Don't forget to RSVP and purchase your Gala tickets! Go to bidpal.net/questgala right now! We hope to see EVERYONE at the Night of All Knights!

Make sure to sign your child up for free childcare at Quest on auction night! RSVPs are required (first-come, first served) so go to bidpal.net/questgala and scroll down on the Left side of the screen to select the Childcare option.

Purchase your Grand Raffle tickets for your chance at Free Tuition for next year! Note that if less than 300 tickets are sold, the prize will revert to a 50/50 cash split of the pot.

We need your help! Join us on Friday, March 13 in the Community Room as we load the truck and some cars to transport everything to The Stonegate.

Sign up to help with auction set up beginning at 8:00 am Saturday, March 14 at The Stonegate. It takes many hands to transform the ballroom into our gorgeous Gala venue! Whether you can help for an hour or a day, we'd love (and need!) to have you! Go to <http://signup.com/go/trMGNzB> today to sign up to help!

CLASS PROJECTS

What is Your Child Creating for Auction?

The 7th graders have created a contemporary and functional piece of wall art from planks of mango, acacia, and sheesham wood in a medley of warm finishes. The students were asked to focus on one word that would guide their actions, thoughts, and decisions for 2020, and those words were incorporated in original designs on this gorgeous piece.

Our Tigers have created a fun framed piece of art made up of photographs of each student's hands in the shape of a heart. In addition, each student has written a descriptive paragraph on their favorite animal, and the package comes complete with all of the students favorite stuffed animals. This is certainly a treasure you will "LOVE" for years to come!

The Hippogriff class has taken hand-painted tiles made by each student and created a unique mosaic frame around a mirror. This eye-catching piece will grace your home or office and will remind you of your child's wonderful 5th grade year at Quest Academy.

Reach for the Stars - that is exactly what our 1st grade Beluga Whales have done for the auction this year. The students cut out the shape of their hands and then turned each one into unique pieces of art. These were then used to create an inspiring piece of framed wall art depicting the hands "reaching for the stars" - something each Beluga Whale is encouraged to do throughout their first grade year!

WHEN

March 14, 2020
5:30PM

WHERE

The Stonegate Conference Centre
2401 W Higgins Rd
Hoffman Estates, IL 60169

Quest Academy

THANK YOU!

Thanks to all of you that have worked so hard to solicit businesses for donations, and to those of you that have donated items this year. We couldn't do any of this without you! And we wouldn't want to!

Contact karen.dickerson@questacademy.org for more information.
